Judson C. Welliver Testifies as to Alleged Demand on J. P. Morgan.

STORY SECOND-HAND

It Was Harriman Who Requested Funds After Visit to

Roosevelt.

Washington, October 7.—From a half-dozen witnesses heard to-day by the Senate campaign expenditures committee little information bearing on campaign expenditures was drawn.
Charles R. Crane, of Chicago, denied the statements of E. H. Hooker that he had given \$70,000 each to Senator La Follette and Governor Wilson and swore that his gifts to the La Follette campaign totaled \$25,564.40 and those to devernor Wilson's preconvention campaign \$10,000.

John D. Archoold, president of the Standard Oil Company, has been recalled and will testify Thursday. To-morrow the committee expects to hear Ormby McHarg, primary contest manager for Coionel Roosewelt; Representative William B. McKinley, manager of President Taft's preconvention campaign; former Senator Chauncey M. Depew, said to have given \$50,000 to the Harriman fund in 1904; former Senator Natnan B. Scott, connected Senator Natnan B. Scott, connected with the Republican National Com-mitte that year, and Mathew Hale. Roosevelt leader in Massachusetts

"What do you suppose that man in e White House wants?" Mr. Mor-in was quoted as saying to Mr. Mac-nagh. "It seems that Harriman has off down there to Washington gone off down there to washington and dined with him and now he come back and says that the President wants him to raise more campaign funds. He has given \$50,000 and now he wants me to give \$50,000."

Hampton, Va., October 7.—First Sergeant Max C. Napler, of the Thirty-fith Company. Heavy Coast Artillery, sent a builet into his brain from an army revolver in his quarters, at Fort Monroe this morning, and died within an hour. Mr. MacVeagh, according to the witness, told him that Mr. Morgan wrote a check for \$50,000 which he sent to Mr. Harriman's office. Mr. Morgan testified last week that he knew of no such contribution.

Checks R. Crane said that he contributed both to Senator La Foliette and Governor Wilson before the nominating conventions, because "both were progressive candidates."

Street Car Company Secures
Outside Contractor So as to

Expedite Paving.

What is hoped to be an amleable arrangement for expediting the delayed paving contracts of the city on certain streets, partly occupied by car tracks, was reached at a conference of the Subcommittee on Streets, City Engineer Boiling and representatives of the Virginia Railway and Power Company yesterday atternoon. Captain A. B. Guigon, general attorney for the Virginia Railway and Power Company, stated that in response to the suggestion or request of the subcommittee, his company had secured an offer to do the track reconstruction on Robinson Street from Broad to Main, from a reliable contracting firm, which had promised to press it with air reasonable haste.

Herefore it has been difficult to get summons served on men who fall or office to attend drill and who otherwise discussed in the outs of emissions. By the provisions of the new law, where a battallon is situated in one piace, there is but one summary court for all the companies, with the second in command as officer. Captain W. C. Herbert is thus the president of the court for the local battallon of the Frest Regiment.

Sergent Satterfield is giving his help and summoning men, and with the facilities this offords of teenhing enlisted men what is expected of them, it is hoped that the menual artitude will soon be reached wherein is will not be necessary to have summary courts at all.

Besides the chauffeur, the car contained five passengers—two men and three women. The driver, P. Basili, was placed under arrest. He was allowed by the officer to take his fares to their destination, the Commercial Hotel, and he was then taken to the Second Police Station, where a warrant for him was sworn out. Safest Antiseptic For Women to Use

In every household you will find among the toilet necessities some sort of a germicide, in the form of either a tablet, solution or powder. Many of these antiseptic preparations contain poisons, and unless the greatest care is used, much harm is done to the persons using them.

The value of an absolutely harmless

antiseptic powder, as compared with a poisonous tablet or solution, is apparent to every one, and that is one reason why physicians everywhere have strongly recommended the, use of Tyree's Antisoptic Powder should commend itself, therefore, to every household. Unequaled as a douche. A 25 cent package makes two gallons of standard solution. Sold by druggists everywhere, Sees for booklet and sample. J. E. Tyree, Chemist, Washington, D. G.
